

2020-21 Newsletter

What a year...

Two academic years of lockdowns, online lessons and confusion! While uSports alongside the rest of country has had to continuously learn and adapt, we have been presented with so many fantastic opportunities this past year and it is another one which we are sure to remember!

Let us share with you some of our highlights of this past year!

Fantastic lunchtime sports opportunities...the children are always active, engaged and having fun! The staff are professional, courteous and it is clear they have a passion for what they do.

Schools & Nurseries

We have loved working in over 50 schools and nurseries this year and we just want to thank every member of school staff, every student and every parent who has worked with us this past year. Each and every one of you are the reason why we do what we do! Check out just a few pictures from our sessions this year!!

uSports

Our Fantastic Staff!

As we grow, we are able to take more opportunities to develop and grow our team. This year that has led to more staff training sessions as well as new roles within the business! We welcomed Fish, Nicole and Ollie into the office team to expand our operations and to allow more and more children to have a positive experience with support through uSports. We have also welcomed numerous new coaches with a range of fantastic experiences behind them! Check out our full team page over on our website home page u-sports.co.uk

Here are some pictures from our Paediatric First Aid Course and our 'Coaching During COVID' Workshop sessions!

Placement Opportunities

We are so proud to be supporting more coaches on their journeys. This year and next we have Kickstart Placements, Apprenticeships and a University Placement student all joining the team and helping to make uSports a better place!

Holiday Camps & Toddler Football

Alongside our schools programme, our community has continued to grow and grow this past year and this summer we are running more camps than ever before! This even includes a number of HAF camps inspired by the Marcus Rashford free school meal campaign.

Partnerships

uSports has developed a number of partnerships this year including:

Woodley United FC

For Woodley Football

PLUS Camp and Woodley

Toddler Football Sessions

Sport In Mind

Check out our blog page for more details about this new union!

Goodbyes...

A number of coaches have moved on to new and exciting opportunities this year. This includes our fantastic head coaches Owen and Isaac who will be leaving at the end of this academic year! We are so grateful for everything that both of these coaches have done for uSports and we can't wait to see where their journeys take them.

Owen

Owen has been with us from the very start and has been such an integral member of the team. His dedication, professionalism and nature have all been an absolute credit to uSports and he is always a pair of safe hands for any session! Owen is moving on to study to become a paramedic and we are sure he will be a credit to the role as he has been to uSports.

Isaac

Blakey, the whirlwind of energy. No matter what, Isaac can bring a smile to everyone's face; be that the face of the children he works with or when he comes into the office or anyone else for that matter! Isaac is another longstanding member of staff and he has helped to shape uSports into what it is today. Isaac is off to work in a school on a full time basis but we've managed to hold on to him for the odd session!

Thank You and See You Soon!

We are truly thankful for all of the support which you have provided to us over the past year and we can't wait to see what the next year brings! So until we see you next, stay safe and enjoy a fantastic summer. You all deserve it
